The screenshot shows a web application interface for uploading images. At the top left is a logo with a stylized 'd' and the word 'domenia' below it. To the right, it says 'VERSION: 1.0-RC1 [Show server info]'. Below this is a navigation bar with buttons for 'Upload', 'Manage', 'View', and 'Log out'. The main content area is titled 'Upload Images' and is divided into two panels. The left panel, 'Choose an Image or ZIP Archive', has a 'Filename (16M limit):' field with a 'Bla gjennom...' button, and a 'Picture Caption (optional):' text area. The right panel, 'Choose a Destination Album', has a radio button for 'Existing Album' and a dropdown menu showing 'Galleri: galleri'. Below the dropdown is an 'Upload' button. Three callout boxes are present: 'A. Trykk på bla gjennom for å finne fram bilde fra datamaskinen din.' points to the 'Bla gjennom...' button; 'B. Skriv inn bilde beskrivelse dersom det er ønskelig' points to the 'Picture Caption' text area; and 'C. Trykk på upload for å laste opp valgt bilde' points to the 'Upload' button.
